

Tioga County Public Health Immunizations and Dental Services Effective January 1, 2023

Immunizations

- An Administration fee of \$20 will be assessed for each vaccination. There are no other vaccination fees when Vaccines for Adults (VFA) or Vaccines for Children (VFC) are utilized.
- We currently do not have agreements with any insurances for vaccines other than Medicaid.
- If the vaccine is not VFC or VFA, you will be charged the per unit cost Tioga County Public Health pays to purchase the vaccine. The current price (per unit dose cost) will be reported upon request for a vaccination appointment.

Dental Services

- **If you have one of the insurances listed below:** your insurance company will be billed for services. There is no out of pocket charge to you.
- **If you are uninsured or do not have one of the below insurances:** you will be charged on a sliding fee scale based on income and household size. Income documentation is required.

Insurances we currently bill for Dental Services

Aetna	Delta Dental/CDPHP	Guardian	Metlife
Ameritas	Dentaquest	Healthplex	MVP
Cigna	Emblem Health (GHI)	Humana PPO	The Standard Life Ins. Co. of NY
CSEA	Excellus	Medicaid	UMR
Delta Dental	Fidelis	Medicare Advantage Plus	United Health Care

Other

- We do not have direct affiliation with any hospital, we will assist in finding one for those that do not have one through their Primary Care Physician (PCP)
- Local Hospitals are: Cayuga Medical Center, Lourdes Hospital, Guthrie Robert Packer Hospital, UHS Binghamton General Hospital, and UHS Wilson Medical Center
- In the event a client does not have a PCP we will assist in identifying PCP's in our area
- In the event a client does not have insurance, we will assist by connecting with NYS approved Navigators or through the Department of Social Services
- Services will not be denied due to the inability to pay
