SENIOR CASEWORKER/RN

JOB CODE: 2608
DEPARTMENT: Tioga Co. Public Health Dept. and Dept. of Social Services
CLASSIFICATION: Competitive
SALARY GRADE: CSEA - Grade XV (Reso 136-01)
ADOPTED: 9/00; added qualif note 3/02, 5/16, Revised 01/20; Tioga Co. Personnel & Civil Service

DISTINGUISHING FEATURES OF THE CLASS: Under general direction, this position involves responsibility for the determination and recommendation of the need for services, and the formulation and carrying out of plans to meet the individual problems of identified cases, inclusive of performing medical and social assessment and/or case work services, related to long-term care and protective service needs of individuals and their families. The functional duties are similar to those of the Caseworker/RN, except that through training and experience Senior Caseworker/RN’s have gained an expertise to handle more complex problems and solutions. In conjunction with a supervisor, employees in this class will assist in recommending and developing nursing and other related policies and procedures for the agency and insure that standards are maintained in accordance with such policies and procedures. Direct supervision may be exercised over the work of Caseworker/RNs, Caseworkers and other subordinates. Does related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative Only)
- Assess and identify need for services related to the long-term health care and protective service needs of individuals and their families through home visits and in-depth interviews;
- Leads Caseworkers and participates in formulating and implementing plans to meet the medical, psycho-social, economic, safety and environmental needs of individuals;
- Conducts social and medical evaluations in conjunction with in-home personal care services and nursing home placements;
- Provides ongoing monitoring and assessment for change in clients’ status and need for revisions in the plan of care and implementation of additional services;
- Establishes a relationship with individuals and families enabling them to maximize their independence and problem solving abilities;
- Provides counseling related to the resources available to meet the needs of individuals, promoting community independence and determining how an individual’s needs can best be met in the least restrictive environment possible.
- Maintains New York State Health Department Certification for completion of Medical assessment and Pre-admission Review Instrument (PRI)/Screen for nursing home placement;
- Completes agency intakes, providing information and referrals as needed;
- Serves as liaison and assist in discharge planning with area hospitals;
- Maintains working relationships with various community agencies to which individuals and families are referred for services;
- Maintains case records, prepares reports and documentation as required;
- Assures quality control measures over agency programs, services, files and records in conformance with all internal and regulatory requirements;
- Attends continuing education seminars and workshops to maintain currency in medical assessment, nursing and social process and resource availability;
